PowerSchool is now mobile!

The PowerSchool for Parents and Students app is available for download on Google Play for Android devices as well as from the App Store for the iPhone, iPad or iPod touch. Parents and Students can easily progress in a single feed to check grades, review assignments, and more!

Mobile PowerSchool for Parents and Students provides real-time access to:

- Attendance
- School Announcements
- Assignments
- Assignment Scores
- Final Grades
- Test Score
- Teacher Comments
- And much more.

You can also use PowerSchool for Parents to register to receive email alerts for grades, attendance, assignments and more.

In the **App Store** for Apple iPhone, Apple iPad, Apple iPad, and Apple iPod Touch click on Powerschool Mobile and download.

In the **Google Play** for Android devices click on Powerschool Mobile and download.

The PowerSchool mobile apps now use a code to select our district. Once you have downloaded the PowerSchool parent app or the PowerSchool student app, a four-character code needs to be entered on the sign-in screen. One district code is used for all of the schools in QDTS. Access through the webpage has not changed and does not require the code.
