March 16, 2020

Hello CAP Families,

As of tomorrow, March 17th, you will receive academic activities for your child to engage in during our closure. Our incredible teachers have been hard at work curating resources to keep students engaged during this uncertain time. Please know that in the event that we are closed beyond this two-week period that additional information will be sent to you regarding distance learning. I suggest that during this time when all activities have stopped that you create a daily routine within your home that will keep the students on a routine and not sleeping all day or staring at devices. Our Emotional Support Counselors are setting up plans to support students throughout the closure. A follow up will come with further details.

A free lunch is available for pick-up for your children daily. Meals and Safe Spaces for Children During School Closure please click the link for a list.

Any students that are in need of internet access should go to Comcast's Internet Essentials to get faster service to existing customers and 2 months of free internet access to qualified families:

<https://www.internetessentials.com/>

Some cancellations that are to note: Ronal McDonald Mobile Dental Screenings, Summer Resource Fair, Scholastic Book Fair, Career Day Parent and Community Presentations so far and Third Quarter exams.

On behalf of the entire faculty and staff at Community Academy we wish you health and well-being. We miss our students and each other immensely.

My very best,

Alberta Proietta O'Brien, EdD  
Principal and DCEO
