Black History Month

During the month of February, we will be celebrating the achievements of African Americans and emphasizing their important role in History. Lessons will be taught in various classes to spotlight the contributions of African Americans to History and students will have an array of activities to complete in celebration of Black History Month. CAP will be posting student work on CAP's Social Media throughout the month.
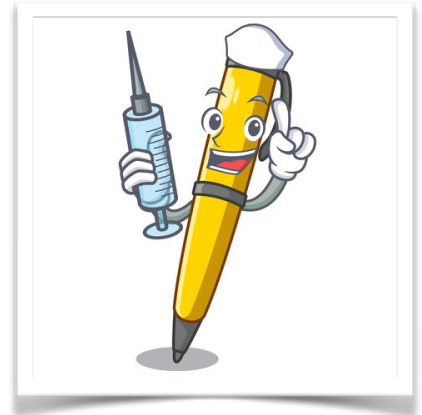

Bruin Pride-Empathy

The CAP character trait for the month of February is Empathy. **Empathy** is understanding and caring about another persons problems or feelings. CAP Bruins, let's demonstrate empathy, not only this month, but everyday.
